

EICAP Head Start/EHS and Bear River Head Start/EHS

Opportunity for parents and others raising young children

\$50 to participate in a study

The Idaho Children's Trust Fund and the Idaho Head Start Association are seeking parents and others raising young children to be part of the Strengthening Families study. We are seeking parents and others raising young children to participate in Zoom group discussions.

We want to know what parents and others raising young children think about their child's doctor talking with *them* about *their* childhood – the positive and negative experiences they had. There are no right or wrong answers. The only requirements to participate are that you are raising young children and have internet access.

This is your opportunity to help doctors and care providers Strengthen Families.

What you need to know:

- Zoom group discussion on May 18 from 6:00 – 7:30 pm MDT
- Participants will receive \$50.
- Participants will be reimbursed for the cost of child care for 2 hours – \$6.00 for one child and \$2.00 for each additional child.
- You need to have access to Zoom and to be willing to participate with your video ON.
- You will learn about the research project and why your child's doctor is interested in your childhood.
- You are **not** expected to talk about your childhood or your family during the focus group.

Applications being accepted until May 11. Apply [here](#)

- Space is limited. The focus group will only have 10 participants.
- Participants will be selected to create focus groups that include people from different towns and backgrounds.
- No questions about your childhood are in the application.
- You will be notified on May 12 if you are selected, on the waiting list, or not selected.
- The application is online at <https://www.surveymonkey.com/r/JP7BXT5>
- **Deadline to apply is May 11 at 10:00 pm**
